

ABC Diagnostics Inc.

Paid Time Off (PTO) Policy

Fictional training document - created solely for this portfolio demonstration.

1. Purpose

ABC Diagnostics Inc. provides paid time off to eligible employees for vacation, personal needs, illness, and other planned or unplanned absences. This policy is intended to support employee well-being while maintaining reliable business operations.

2. Eligibility

Regular full-time employees are eligible for PTO. Regular part-time employees scheduled for at least 20 hours per week receive PTO on a prorated basis. Temporary workers, contractors, and interns are not eligible unless a written program specifically states otherwise.

3. Annual PTO

Eligible full-time employees receive PTO according to completed years of service.

Completed Service	Annual PTO
Less than 2 years	15 days
2 through 4 years	18 days
5 or more years	23 days

4. Requesting Planned PTO

Employees should submit planned PTO requests at least 10 calendar days in advance when reasonably possible. Approval depends on staffing and business needs. Submission of a request does not by itself constitute approval.

5. Unplanned Absences and Emergencies

When advance notice is not possible, employees should notify their manager as soon as reasonably possible under the circumstances. Employees should follow any department call-in procedure that applies to their role.

6. Carryover

Employees may carry over up to 5 unused PTO days into the next calendar year. PTO above the 5-day carryover limit is forfeited unless a written exception is approved by Human Resources before year-end.

7. Negative PTO Balances

Employees may not use more PTO than they have available unless Human Resources has approved a written exception.

8. Policy Exceptions

Managers may recommend an exception but may not independently create additional PTO benefits or waive this policy. Exceptions require written Human Resources approval.

9. Questions and Interpretation

Routine questions may be answered using this policy. Questions involving eligibility disputes, legal leave rights, accommodation, unusual circumstances, or requests for an exception must be referred to Human Resources. This PTO policy does not replace any legally protected leave that may apply.

10. Policy Administration

Human Resources owns and interprets this policy. ABC Diagnostics Inc. may revise this fictional policy at any time for purposes of this demonstration.
